

# CIRCLE OF CARE

Report ID: CCN 365977  
Generated: 2026-07-23T19:18:21.485Z

## § 1 Facility Identity

|                |                                             |
|----------------|---------------------------------------------|
| Facility       | CIRCLE OF CARE                              |
| CCN            | 365977                                      |
| Location       | 1985 EAST PERSHING STREET, SALEM, OH, 44460 |
| Ownership type | For profit - Partnership                    |
| Certified beds | 55                                          |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$179,235                             |
| Deficiency citations — current cycle       | 19 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 1                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$179,235                                             |
| OH state average                  | \$23,139 (this facility is 7.7× the OH average)       |
| National average                  | \$31,239 (this facility is 5.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 19 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                        | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F880  | Provide and implement an infection prevention and control program.                                                                                   | <b>L • Immediate Jeopardy</b> | Complaint       |
| F835  | Administer the facility in a manner that enables it to use its resources effectively and efficiently.                                                | F                             | Standard survey |
| F868  | Have the Quality Assessment and Assurance group have the required members and meet at least quarterly                                                | F                             | Standard survey |
| F882  | Designate a qualified infection preventionist to be responsible for the infection prevent and control program in the nursing home.                   | F                             | Standard survey |
| F712  | Ensure that the resident and his/her doctor meet face-to-face at all required visits.                                                                | E                             | Standard survey |
| F714  | Ensure the physician properly assigns and delegates tasks to a physician assistant, nurse practitioner or clinical nurse specialist.                 | E                             | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.        | D                             | Complaint       |
| F569  | Notify each resident of certain balances and convey resident funds upon discharge, eviction, or death.                                               | D                             | Standard survey |
| F644  | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                           | D                             | Standard survey |
| F655  | Create and put into place a plan for meeting the resident's most immediate needs within 48 hours of being admitted                                   | D                             | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                    | D                             | Standard survey |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals. | D                             | Standard survey |

|      |                                                                                                                                                                                                                                                                                                |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                                          | D | Standard survey |
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                                                                                                                                      | D | Standard survey |
| F756 | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                                                             | D | Standard survey |
| F758 | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                                                                      | D | Complaint       |
| F623 | Provide timely notification to the resident, and if applicable to the resident representative and ombudsman, before transfer or discharge, including appeal rights.                                                                                                                            | C | Standard survey |
| F625 | Notify the resident or the resident's representative in writing how long the nursing home will hold the resident's bed in cases of transfer to a hospital or therapeutic leave.                                                                                                                | B | Standard survey |

## § 5 Ownership

Ownership record      Owner on file: NIELSON, KENNETH (individual)

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 2.4 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 4.5 · US avg 3.7) |

## § 7 Record Provenance

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 365977.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash b1d6749e735b.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
