|                |                                     |
|----------------|-------------------------------------|
| Facility       | THE SANCTUARY AT TUTTLE CROSSING    |
| CCN            | 366170                              |
| Location       | 4880 TUTTLE ROAD, DUBLIN, OH, 43017 |
| Ownership type | Non profit - Corporation            |
| Certified beds | 66                                  |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 16 ( 1500% vs prior 24 months (1))    |
| Deficiency citations — prior 24 months     | 1                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| OH state average                  | \$23,139 (this facility is 0.0× the OH average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 16 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                      | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                 | G          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                             | F          | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                             | F          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                 | E          | Standard survey |
| F610  | Respond appropriately to all alleged violations.                                                                                                                                   | D          | Complaint       |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                    | D          | Complaint       |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                         | D          | Standard survey |
| F582  | Give residents notice of Medicaid/Medicare coverage and potential liability for services not covered.                                                                              | D          | Standard survey |
| F688  | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.                   | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                              | D          | Standard survey |
| F692  | Provide enough food/fluids to maintain a resident's health.                                                                                                                        | D          | Standard survey |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures. | D          | Standard survey |

|      |                                                                                                                                                           |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F760 | Ensure that residents are free from significant medication errors.                                                                                        | D | Standard survey |
| F791 | Provide or obtain dental services for each resident.                                                                                                      | D | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards. | D | Standard survey |
| F919 | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                           | D | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                    |
|---------------------------------------|----------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: AMERICAN HEALTH FOUNDATION (6 facilities); Owner on file: HAEMMERLE, J MICHAEL (individual) |
| Ownership chain                       | AMERICAN HEALTH FOUNDATION (6 facilities)                                                          |
| Penalties vs chain average            | \$0 vs \$58,492 (0.0× the chain average)                                                           |
| Current deficiencies vs chain average | 16 vs 12.5 (1.3× the chain average)                                                                |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 2.4 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 4.5 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 366170.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 287dade725f4.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
