

# OTTERBEIN MONCLOVA

Report ID: CCN 366361  
Generated: 2026-07-23T19:15:33.207Z

## § 1 Facility Identity

|                |                                         |
|----------------|-----------------------------------------|
| Facility       | OTTERBEIN MONCLOVA                      |
| CCN            | 366361                                  |
| Location       | 5069 OTTERBEIN WAY, MONCLOVA, OH, 43542 |
| Ownership type | Government - Federal                    |
| Certified beds | 60                                      |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$47,171                          |
| Deficiency citations — current cycle       | 16 ( 700% vs prior 24 months (2)) |
| Deficiency citations — prior 24 months     | 2                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$47,171                                              |
| OH state average                  | \$23,139 (this facility is 2.0× the OH average)       |
| National average                  | \$31,239 (this facility is 1.5× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 16 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                             | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F803  | Ensure menus must meet the nutritional needs of residents, be prepared in advance, be followed, be updated, be reviewed by dietician, and meet the needs of the resident. | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                    | E          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                     | D          | Complaint       |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                        | D          | Complaint       |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                           | D          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                        | D          | Complaint       |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                | D          | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                             | D          | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                         | D          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                         | D          | Standard survey |
| F688  | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.          | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to                                                                        | D          | Standard survey |

prevent accidents.

|      |                                                                                                                                                                                |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                             | D | Standard survey |
| F686 | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                | D | Complaint       |
| F921 | Make sure that the nursing home area is safe, easy to use, clean and comfortable for residents, staff and the public.                                                          | D | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                         |
|---------------------------------------|---------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: OTTERBEIN SENIORLIFE (19 facilities); Owner on file: OTTERBEIN NEIGHBORHOODS, LLC (organization) |
| Ownership chain                       | OTTERBEIN SENIORLIFE (19 facilities)                                                                    |
| Penalties vs chain average            | \$47,171 vs \$6,026 (7.8× the chain average)                                                            |
| Current deficiencies vs chain average | 16 vs 9.9 (1.6× the chain average)                                                                      |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.4 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 4.5 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 366361.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 6482354b4a54.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
