

# Broken Bow Health and Rehab

Report ID: CCN 375165  
Generated: 2026-08-06T17:53:22.811Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | Broken Bow Health and Rehab           |
| CCN            | 375165                                |
| Location       | 700 West Jones, Broken Bow, OK, 74728 |
| Ownership type | For profit - Partnership              |
| Certified beds | 105                                   |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$21,828                          |
| Deficiency citations — current cycle       | 14 ( 600% vs prior 24 months (2)) |
| Deficiency citations — prior 24 months     | 2                                 |
| Immediate Jeopardy — current cycle         | 1                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$21,828                                              |
| OK state average                  | \$21,196 (this facility is 1.0× the OK average)       |
| National average                  | \$31,591 (this facility is 0.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 14 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                                          | <b>J • Immediate Jeopardy</b> | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                                                                 | F                             | Complaint       |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                                                           | E                             | Complaint       |
| F770  | Provide timely, quality laboratory services/tests to meet the needs of residents.                                                                                                                                                                                                              | E                             | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs.                                        | E                             | Complaint       |
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                                                                                                          | E                             | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                                                              | E                             | Complaint       |
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | E                             | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                                         | E                             | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                                                             | E                             | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                                                              | D                             | Complaint       |

|      |                                                                                                                                                           |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F865 | Have a plan that describes the process for conducting QAPI and QAA activities.                                                                            | D | Complaint       |
| F554 | Allow residents to self-administer drugs if determined clinically appropriate.                                                                            | D | Standard survey |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards. | D | Standard survey |

## § 5 Ownership

|                  |                                                                                   |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 375165.
3. Cite this snapshot as “CMS Care Compare, as of Jul 2026” — integrity hash 11e2579b8f2f.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

This snapshot is a frozen record of CMS Care Compare data as of Jul 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/m>

ethodology; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
