

# Thunder Care and Rehabilitation

Report ID: CCN 375331  
Generated: 2026-07-23T13:37:10.604Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | Thunder Care and Rehabilitation       |
| CCN            | 375331                                |
| Location       | 2120 North Broadway, Moore, OK, 73160 |
| Ownership type | For profit - Individual               |
| Certified beds | 154                                   |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$30,137                              |
| Deficiency citations — current cycle       | 15 ( 275% vs prior 24 months (4))     |
| Deficiency citations — prior 24 months     | 4                                     |
| Immediate Jeopardy — current cycle         | 1                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | SFF candidate                         |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$30,137                                              |
| OK state average                  | \$20,876 (this facility is 1.4× the OK average)       |
| National average                  | \$31,239 (this facility is 1.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 15 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                     | SCOPE/SEV.                    | SOURCE          |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                                                | <b>J • Immediate Jeopardy</b> | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                                                | G                             | Complaint       |
| F925  | Make sure there is a pest control program to prevent/deal with mice, insects, or other pests.                                                                                                                     | F                             | Complaint       |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                 | E                             | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                     | D                             | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                    | D                             | Complaint       |
| F607  | Develop and implement policies and procedures to prevent abuse, neglect, and theft.                                                                                                                               | D                             | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                                               | D                             | Complaint       |
| F610  | Respond appropriately to all alleged violations.                                                                                                                                                                  | D                             | Complaint       |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                              | D                             | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                    | D                             | Standard survey |
| F700  | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get | D                             | Standard survey |

informed consent; and (4) Correctly install and maintain the bed rail.

|      |                                                                                                                                |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F732 | Post nurse staffing information every day.                                                                                     | D | Standard survey |
| F755 | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                             | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                   |
|---------------------------------------|---------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: IHS MANAGEMENT CONSULTANTS (5 facilities); Owner on file: BK STRATEGIES LLC (organization) |
| Ownership chain                       | IHS MANAGEMENT CONSULTANTS (5 facilities)                                                         |
| Penalties vs chain average            | \$30,137 vs \$14,192 (2.1× the chain average)                                                     |
| Current deficiencies vs chain average | 15 vs 7.4 (2.0× the chain average)                                                                |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.6 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 2.9 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 375331.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash c429de066ac4.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
