|                |                                                 |
|----------------|-------------------------------------------------|
| Facility       | SEQUOYAH POINTE LIVING CENTER                   |
| CCN            | 375344                                          |
| Location       | 8515 NORTH 123RD EAST AVENUE, OWASSO, OK, 74055 |
| Ownership type | For profit - Limited Liability company          |
| Certified beds | 92                                              |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$52,192                         |
| Deficiency citations — current cycle       | 4 ( 300% vs prior 24 months (1)) |
| Deficiency citations — prior 24 months     | 1                                |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$52,192                                              |
| OK state average                  | \$20,876 (this facility is 2.5× the OK average)       |
| National average                  | \$31,239 (this facility is 1.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 4 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                     | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------|------------|-----------------|
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.         | E          | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable. | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.     | D          | Complaint       |
| F770  | Provide timely, quality laboratory services/tests to meet the needs of residents.                 | D          | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                            |
|---------------------------------------|----------------------------------------------------------------------------|
| Ownership record                      | Chain: CONHOLD (5 facilities); Owner on file: SULLIVAN, JAMES (individual) |
| Ownership chain                       | CONHOLD (5 facilities)                                                     |
| Penalties vs chain average            | \$52,192 vs \$12,986 (4.0× the chain average)                              |
| Current deficiencies vs chain average | 4 vs 3.0 (1.3× the chain average)                                          |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 4 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 4 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.6 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 2.9 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 375344.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash c54def54c726.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
