

# Muskogee Nursing Center

Report ID: CCN 375376  
Generated: 2026-07-23T13:38:51.583Z

## § 1 Facility Identity

|                |                                         |
|----------------|-----------------------------------------|
| Facility       | Muskogee Nursing Center                 |
| CCN            | 375376                                  |
| Location       | 602 North M Street, Muskogee, OK, 74403 |
| Ownership type | For profit - Individual                 |
| Certified beds | 58                                      |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$59,711                             |
| Deficiency citations — current cycle       | 8 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 1                                    |
| Actual-harm (G+) citations — current cycle | 0                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$59,711                                              |
| OK state average                  | \$20,876 (this facility is 2.9× the OK average)       |
| National average                  | \$31,239 (this facility is 1.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 8 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                       | SCOPE/SEV.                    | SOURCE          |
|-------|-----------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                               | <b>J · Immediate Jeopardy</b> | Complaint       |
| F851  | Electronically submit to CMS complete and accurate direct care staffing information, based on payroll and other verifiable and auditable data.      | F                             | Standard survey |
| F582  | Give residents notice of Medicaid/Medicare coverage and potential liability for services not covered.                                               | E                             | Complaint       |
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being. | E                             | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                  | E                             | Complaint       |
| F865  | Have a plan that describes the process for conducting QAPI and QAA activities.                                                                      | D                             | Standard survey |
| F698  | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                         | D                             | Complaint       |
| F770  | Provide timely, quality laboratory services/tests to meet the needs of residents.                                                                   | D                             | Complaint       |

## § 5 Ownership

|                  |                                        |
|------------------|----------------------------------------|
| Ownership record | Owner on file: LOWE, TINA (individual) |
|------------------|----------------------------------------|

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 2.6 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 2.9 · US avg 3.7) |

## § 7 Record Provenance

---

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 375376.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash ae8246121f07.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
