|----------------|---------------------------------------------|
| Facility       | TUSCANY VILLAGE NURSING CENTER              |
| CCN            | 375536                                      |
| Location       | 2333 TUSCANY BLVD, OKLAHOMA CITY, OK, 73120 |
| Ownership type | For profit - Limited Liability company      |
| Certified beds | 137                                         |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$10,033                              |
| Deficiency citations — current cycle       | 16 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$10,033                                              |
| OK state average                  | \$20,876 (this facility is 0.5× the OK average)       |
| National average                  | \$31,239 (this facility is 0.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 16 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                  | E          | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | E          | Complaint       |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                      | E          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                      | E          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                          | E          | Standard survey |
| F759  | Ensure medication error rates are not 5 percent or greater.                                                                                                                    | E          | Standard survey |
| F726  | Ensure that nurses and nurse aides have the appropriate competencies to care for every resident in a way that maximizes each resident's well being.                            | E          | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                 | E          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                             | E          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                              | D          | Complaint       |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                              | D          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                  | D          | Complaint       |

|      |                                                                                                                                                           |   |           |
|------|-----------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------|
| F580 | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.             | D | Complaint |
| F641 | Ensure each resident receives an accurate assessment.                                                                                                     | D | Complaint |
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                             | D | Complaint |
| F842 | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards. | D | Complaint |

## § 5 Ownership & Chain Context

|                                       |                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: STONEGATE SENIOR LIVING (24 facilities); Owner on file: PF TUSCANY SNF OPS, LLC (organization) |
| Ownership chain                       | STONEGATE SENIOR LIVING (24 facilities)                                                               |
| Penalties vs chain average            | \$10,033 vs \$41,234 (0.2× the chain average)                                                         |
| Current deficiencies vs chain average | 16 vs 10.9 (1.5× the chain average)                                                                   |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.9 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 2.6 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 2.9 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 375536.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash e2bd04c2d949.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
