

# JERSEY SHORE SKILLED NURSING AND REHABILITATION CE

Report ID: CCN 395359  
Generated: 2026-07-23T19:20:07.355Z

## § 1 Facility Identity

|                |                                                    |
|----------------|----------------------------------------------------|
| Facility       | JERSEY SHORE SKILLED NURSING AND REHABILITATION CE |
| CCN            | 395359                                             |
| Location       | 1008 THOMPSON STREET, JERSEY SHORE, PA, 17740      |
| Ownership type | For profit - Corporation                           |
| Certified beds | 120                                                |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$46,196                         |
| Deficiency citations — current cycle       | 21 ( 9% vs prior 24 months (23)) |
| Deficiency citations — prior 24 months     | 23                               |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 0                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$46,196                                              |
| PA state average                  | \$25,102 (this facility is 1.8× the PA average)       |
| National average                  | \$31,239 (this facility is 1.5× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 21 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | F          | Standard survey |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | E          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | E          | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | E          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Complaint       |
| F605  | Prevent the use of unnecessary psychotropic medications or use medications that may restrain a resident's ability to function.                                                                                                                          | E          | Standard survey |
| F628  | Provide the required documentation or notification related to the resident's needs, appeal rights, or bed-hold policies.                                                                                                                                | E          | Standard survey |
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                      | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F585  | Honor the resident's right to voice grievances without discrimination or reprisal and the facility must establish a grievance policy and make prompt efforts to resolve grievances.                                                                     | E          | Complaint       |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                       | E          | Complaint       |

|      |                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F947 | Ensure nurse aides have the skills they need to care for residents, and give nurse aides education in dementia care and abuse prevention.                                                | E | Complaint       |
| F677 | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                        | D | Complaint       |
| F578 | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D | Standard survey |
| F584 | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                | D | Standard survey |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                        | D | Standard survey |
| F676 | Ensure residents do not lose the ability to perform activities of daily living unless there is a medical reason.                                                                         | D | Standard survey |
| F791 | Provide or obtain dental services for each resident.                                                                                                                                     | D | Standard survey |
| F883 | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                                                        | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                | D | Complaint       |
| F730 | Observe each nurse aide's job performance and give regular training.                                                                                                                     | D | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                        |
|---------------------------------------|--------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: GENESIS HEALTHCARE (187 facilities); Owner on file: GENESIS PM PA OPERATIONS LLC (organization) |
| Ownership chain                       | GENESIS HEALTHCARE (187 facilities)                                                                    |
| Penalties vs chain average            | \$46,196 vs \$45,582 (1.0× the chain average)                                                          |
| Current deficiencies vs chain average | 21 vs 14.8 (1.4× the chain average)                                                                    |

## § 6 CMS Care Compare Star Ratings

---

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 1 / 5 (state avg 3.6 · US avg 3.7) |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 395359.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 011dbe7b2819.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
