

# Dubois Nursing Home

Report ID: CCN 395430  
Generated: 2026-07-23T13:39:23.321Z

## § 1 Facility Identity

|                |                                      |
|----------------|--------------------------------------|
| Facility       | Dubois Nursing Home                  |
| CCN            | 395430                               |
| Location       | 212 S. EIGHTH ST., DUBOIS, PA, 15801 |
| Ownership type | Non profit - Corporation             |
| Certified beds | 140                                  |

## § 2 CMS Federal Record

|                                            |                                    |
|--------------------------------------------|------------------------------------|
| Civil money penalties on file              | \$17,225                           |
| Deficiency citations — current cycle       | 23 ( 2200% vs prior 24 months (1)) |
| Deficiency citations — prior 24 months     | 1                                  |
| Immediate Jeopardy — current cycle         | 0                                  |
| Actual-harm (G+) citations — current cycle | 2                                  |
| Special Focus Facility status              | Not listed                         |
| Abuse icon                                 | No                                 |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$17,225                                              |
| PA state average                  | \$25,102 (this facility is 0.7× the PA average)       |
| National average                  | \$31,239 (this facility is 0.6× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 23 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                             | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                  | G          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                             | G          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                     | E          | Standard survey |
| F744  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with dementia.                                                                  | E          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                            | E          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                     | D          | Complaint       |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                 | D          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                        | D          | Complaint       |
| F691  | Provide appropriate colostomy, urostomy, or ileostomy care/services for a resident who requires such services.                                                            | D          | Complaint       |
| F694  | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                 | D          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                 | D          | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely. | D          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                             | D          | Complaint       |

|      |                                                                                                                                                                                |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                              | D | Standard survey |
| F658 | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                       | D | Standard survey |
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                  | D | Standard survey |
| F690 | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections. | D | Standard survey |
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                      | D | Standard survey |
| F730 | Observe each nurse aide's job performance and give regular training.                                                                                                           | D | Standard survey |
| F804 | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                      | D | Standard survey |
| F867 | Set up an ongoing quality assessment and assurance group to review quality deficiencies and develop corrective plans of action.                                                | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                             | D | Standard survey |
| F908 | Keep all essential equipment working safely.                                                                                                                                   | D | Standard survey |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 395430.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 9d71a575e844.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
