|----------------|----------------------------------------------|
| Facility       | BIRCHWOOD REHABILITATION & HEALTHCARE CENTER |
| CCN            | 395651                                       |
| Location       | 395 MIDDLE ROAD, NANTICOKE, PA, 18634        |
| Ownership type | For profit - Limited Liability company       |
| Certified beds | 121                                          |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$123,390                         |
| Deficiency citations — current cycle       | 18 ( 13% vs prior 24 months (16)) |
| Deficiency citations — prior 24 months     | 16                                |
| Immediate Jeopardy — current cycle         | 1                                 |
| Actual-harm (G+) citations — current cycle | 1                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$123,390                                             |
| PA state average                  | \$25,102 (this facility is 4.9× the PA average)       |
| National average                  | \$31,239 (this facility is 3.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 18 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                         | SCOPE/SEV.                    | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                 | <b>K · Immediate Jeopardy</b> | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                 | G                             | Complaint       |
| F835  | Administer the facility in a manner that enables it to use its resources effectively and efficiently.                                 | E                             | Complaint       |
| F697  | Provide safe, appropriate pain management for a resident who requires such services.                                                  | E                             | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.        | E                             | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                             | E                             | Complaint       |
| F607  | Develop and implement policies and procedures to prevent abuse, neglect, and theft.                                                   | D                             | Complaint       |
| F744  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with dementia.                              | D                             | Complaint       |
| F744  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with dementia.                              | D                             | Complaint       |
| F692  | Provide enough food/fluids to maintain a resident's health.                                                                           | D                             | Complaint       |
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.    | D                             | Standard survey |
| F627  | Ensure the transfer/discharge meets the resident's needs/preferences and that the resident is prepared for a safe transfer/discharge. | D                             | Standard survey |
| F641  | Ensure each resident receives an accurate assessment.                                                                                 | D                             | Standard survey |

|      |                                                                                                                                   |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured. | D | Standard survey |
| F684 | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                     | D | Standard survey |
| F773 | Provide or obtain laboratory tests/services when ordered and promptly tell the ordering practitioner of the results.              | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                | D | Standard survey |
| F692 | Provide enough food/fluids to maintain a resident's health.                                                                       | D | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                           |
|---------------------------------------|-----------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: CENTURY HEALTHCARE (9 facilities); Owner on file: CENTURY II PENNSYLANIA HOLDCO LLC (organization) |
| Ownership chain                       | CENTURY HEALTHCARE (9 facilities)                                                                         |
| Penalties vs chain average            | \$123,390 vs \$73,658 (1.7× the chain average)                                                            |
| Current deficiencies vs chain average | 18 vs 13.6 (1.3× the chain average)                                                                       |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3.6 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 395651.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 7c8a8aa49735.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
