|----------------|-------------------------------------------|
| Facility       | LINWOOD NURSING AND REHABILITATION CENTER |
| CCN            | 395717                                    |
| Location       | 100 LINWOOD AVENUE, SCRANTON, PA, 18505   |
| Ownership type | Non profit - Corporation                  |
| Certified beds | 102                                       |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$113,348                         |
| Deficiency citations — current cycle       | 12 ( 40% vs prior 24 months (20)) |
| Deficiency citations — prior 24 months     | 20                                |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$113,348                                             |
| PA state average                  | \$25,102 (this facility is 4.5× the PA average)       |
| National average                  | \$31,239 (this facility is 3.6× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 12 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F756  | Ensure a licensed pharmacist perform a monthly drug regimen review, including the medical chart, following irregularity reporting guidelines in developed policies and procedures.                                                                      | E          | Standard survey |
| F803  | Ensure menus must meet the nutritional needs of residents, be prepared in advance, be followed, be updated, be reviewed by dietician, and meet the needs of the resident.                                                                               | E          | Complaint       |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                               | E          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D          | Complaint       |
| F757  | Ensure each resident's drug regimen must be free from unnecessary drugs.                                                                                                                                                                                | D          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D          | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                | D          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | D          | Standard survey |
| F697  | Provide safe, appropriate pain management for a resident who requires such services.                                                                                                                                                                    | D          | Standard survey |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | D          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Standard survey |

|      |                                                                                                           |   |                 |
|------|-----------------------------------------------------------------------------------------------------------|---|-----------------|
| F940 | Develop, implement, and/or maintain an effective training program for all new and existing staff members. | D | Standard survey |
|------|-----------------------------------------------------------------------------------------------------------|---|-----------------|

## § 5 Ownership

|                  |                                                    |
|------------------|----------------------------------------------------|
| Ownership record | Owner on file: PENNSYLVANIA LTC INC (organization) |
|------------------|----------------------------------------------------|

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3.6 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 395717.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 37469ae2bd99.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
