

# ROLLING HILLS HEALTHCARE

Report ID: CCN 435035  
Generated: 2026-07-23T18:46:52.838Z

## § 1 Facility Identity

|                |                                         |
|----------------|-----------------------------------------|
| Facility       | ROLLING HILLS HEALTHCARE                |
| CCN            | 435035                                  |
| Location       | 2200 13TH AVE, BELLE FOURCHE, SD, 57717 |
| Ownership type | For profit - Limited Liability company  |
| Certified beds | 83                                      |

## § 2 CMS Federal Record

|                                            |                                  |
|--------------------------------------------|----------------------------------|
| Civil money penalties on file              | \$94,359                         |
| Deficiency citations — current cycle       | 13 ( 8% vs prior 24 months (12)) |
| Deficiency citations — prior 24 months     | 12                               |
| Immediate Jeopardy — current cycle         | 0                                |
| Actual-harm (G+) citations — current cycle | 2                                |
| Special Focus Facility status              | Not listed                       |
| Abuse icon                                 | No                               |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$94,359                                              |
| SD state average                  | \$33,893 (this facility is 2.8× the SD average)       |
| National average                  | \$31,239 (this facility is 3.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | G          | Complaint       |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                                                                                         | G          | Standard survey |
| F727  | Have a registered nurse on duty 8 hours a day; and select a registered nurse to be the director of nurses on a full time basis.                                                                                                                         | F          | Standard survey |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                                                                                              | E          | Complaint       |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F699  | Provide care or services that was trauma informed and/or culturally competent.                                                                                                                                                                          | D          | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | D          | Complaint       |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                                                                                          | D          | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive.                                                                | D          | Standard survey |
| F655  | Create and put into place a plan for meeting the resident's most immediate needs within 48 hours of                                                                                                                                                     | D          | Standard survey |

being admitted

|      |                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------|---|-----------------|
| F658 | Ensure services provided by the nursing facility meet professional standards of quality. | D | Standard survey |
|------|------------------------------------------------------------------------------------------|---|-----------------|

## § 5 Ownership & Chain Context

|                                       |                                                                                   |
|---------------------------------------|-----------------------------------------------------------------------------------|
| Ownership record                      | Chain: EDURO HEALTHCARE (35 facilities); Owner on file: RAMOS, BRIAN (individual) |
| Ownership chain                       | EDURO HEALTHCARE (35 facilities)                                                  |
| Penalties vs chain average            | \$94,359 vs \$82,307 (1.1× the chain average)                                     |
| Current deficiencies vs chain average | 13 vs 11.7 (1.1× the chain average)                                               |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.8 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.7 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 3.5 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 2.9 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 435035.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash abaf54a368a2.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
