

# Marshall Manor West

Report ID: CCN 455879  
Generated: 2026-07-23T18:48:25.526Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | Marshall Manor West                   |
| CCN            | 455879                                |
| Location       | 207 W Merritt St, Marshall, TX, 75670 |
| Ownership type | Government - Hospital district        |
| Certified beds | 118                                   |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$21,530                          |
| Deficiency citations — current cycle       | 14 ( 27% vs prior 24 months (11)) |
| Deficiency citations — prior 24 months     | 11                                |
| Immediate Jeopardy — current cycle         | 1                                 |
| Actual-harm (G+) citations — current cycle | 1                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$21,530                                              |
| TX state average                  | \$49,788 (this facility is 0.4× the TX average)       |
| National average                  | \$31,239 (this facility is 0.7× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 14 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                    | <b>J • Immediate Jeopardy</b> | Complaint       |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.           | G                             | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                   | F                             | Standard survey |
| F925  | Make sure there is a pest control program to prevent/deal with mice, insects, or other pests.                                                                                            | F                             | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                        | E                             | Complaint       |
| F657  | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                     | E                             | Standard survey |
| F800  | Provide each resident with a nourishing, palatable, well-balanced diet that meets his or her daily nutritional and special dietary needs.                                                | E                             | Standard survey |
| F802  | Provide sufficient support personnel to safely and effectively carry out the functions of the food and nutrition service.                                                                | E                             | Standard survey |
| F908  | Keep all essential equipment working safely.                                                                                                                                             | E                             | Standard survey |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D                             | Standard survey |
| F627  | Ensure the transfer/discharge meets the resident's needs/preferences and that the resident is prepared for a safe transfer/discharge.                                                    | D                             | Standard survey |

|      |                                                                                                                                                                                                                                                         |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D | Standard survey |
| F694 | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                                                                                               | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                           |
|---------------------------------------|-------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: CARING HEALTHCARE GROUP (14 facilities); Owner on file: KALE, KENNETH (individual) |
| Ownership chain                       | CARING HEALTHCARE GROUP (14 facilities)                                                   |
| Penalties vs chain average            | \$21,530 vs \$43,401 (0.5× the chain average)                                             |
| Current deficiencies vs chain average | 14 vs 8.9 (1.6× the chain average)                                                        |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 1.8 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 3.8 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 455879.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 175a77c3db85.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
