

# Monument Healthcare Taylorsville

Report ID: CCN 465066  
Generated: 2026-07-25T11:20:03.232Z

## § 1 Facility Identity

|                |                                                    |
|----------------|----------------------------------------------------|
| Facility       | Monument Healthcare Taylorsville                   |
| CCN            | 465066                                             |
| Location       | 6246 South Redwood Road, Salt Lake City, UT, 84123 |
| Ownership type | For profit - Corporation                           |
| Certified beds | 120                                                |

## § 2 CMS Federal Record

|                                            |                                      |
|--------------------------------------------|--------------------------------------|
| Civil money penalties on file              | \$7,525                              |
| Deficiency citations — current cycle       | 9 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                    |
| Immediate Jeopardy — current cycle         | 0                                    |
| Actual-harm (G+) citations — current cycle | 0                                    |
| Special Focus Facility status              | Not listed                           |
| Abuse icon                                 | No                                   |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$7,525                                               |
| UT state average                  | \$25,896 (this facility is 0.3× the UT average)       |
| National average                  | \$31,239 (this facility is 0.2× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

#### § 4 Current-Cycle Deficiencies

The current survey cycle records the following 9 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE    |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------|
| F565  | Honor the resident's right to organize and participate in resident/family groups in the facility.                                                                                                                                                                                              | E          | Complaint |
| F640  | Encode each resident's assessment data and transmit these data to the State within 7 days of assessment.                                                                                                                                                                                       | E          | Complaint |
| F688  | Provide appropriate care for a resident to maintain and/or improve range of motion (ROM), limited ROM and/or mobility, unless a decline is for a medical reason.                                                                                                                               | E          | Complaint |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                                                                                                                                      | E          | Complaint |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                                         | D          | Complaint |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                                                                                                                                                                              | D          | Complaint |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                                                                                                                                     | D          | Complaint |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                                                                                                                      | D          | Complaint |
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | D          | Complaint |

## § 5 Ownership & Chain Context

|                                       |                                                                                         |
|---------------------------------------|-----------------------------------------------------------------------------------------|
| Ownership record                      | Chain: MONUMENT HEALTH GROUP (11 facilities); Owner on file: MURRAY, BRIAN (individual) |
| Ownership chain                       | MONUMENT HEALTH GROUP (11 facilities)                                                   |
| Penalties vs chain average            | \$7,525 vs \$29,482 (0.3× the chain average)                                            |
| Current deficiencies vs chain average | 9 vs 9.0 (1.0× the chain average)                                                       |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 4 / 5 (state avg 3.3 · US avg 3)   |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3 · US avg 2.9)   |
| Quality measures (QM) | 5 / 5 (state avg 4.5 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 465066.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 297dfc69cf0d.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
