

# Lincoln Park Nursing and Rehab LLC

Report ID: CCN 525061  
Generated: 2026-07-24T19:42:10.114Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | Lincoln Park Nursing and Rehab LLC    |
| CCN            | 525061                                |
| Location       | 1700 C A BECKER DR, RACINE, WI, 53406 |
| Ownership type | For profit - Individual               |
| Certified beds | 122                                   |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$182,618                             |
| Deficiency citations — current cycle       | 20 ( 82% vs prior 24 months (11))     |
| Deficiency citations — prior 24 months     | 11                                    |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 1                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$182,618                                             |
| WI state average                  | \$39,833 (this facility is 4.6× the WI average)       |
| National average                  | \$31,239 (this facility is 5.8× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 20 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                   | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                           | G          | Complaint       |
| F801  | Employ sufficient staff with the appropriate competencies and skills sets to carry out the functions of the food and nutrition service, including a qualified dietician.        | F          | Standard survey |
| F623  | Provide timely notification to the resident, and if applicable to the resident representative and ombudsman, before transfer or discharge, including appeal rights.             | E          | Standard survey |
| F625  | Notify the resident or the resident's representative in writing how long the nursing home will hold the resident's bed in cases of transfer to a hospital or therapeutic leave. | E          | Standard survey |
| F804  | Ensure food and drink is palatable, attractive, and at a safe and appetizing temperature.                                                                                       | E          | Standard survey |
| F686  | Provide appropriate pressure ulcer care and prevent new ulcers from developing.                                                                                                 | D          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                              | D          | Complaint       |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                              | D          | Complaint       |
| F554  | Allow residents to self-administer drugs if determined clinically appropriate.                                                                                                  | D          | Standard survey |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                        | D          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                   | D          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                       | D          | Standard survey |
| F698  | Provide safe, appropriate dialysis care/services for a resident who requires such services.                                                                                     | D          | Standard survey |

|      |                                                                                                                                                                                                                                                         |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F755 | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | D | Standard survey |
| F759 | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                             | D | Standard survey |
| F761 | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | D | Standard survey |
| F600 | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody.                                                                                                                      | D | Complaint       |
| F609 | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                                                                                     | D | Complaint       |
| F657 | Develop the complete care plan within 7 days of the comprehensive assessment; and prepared, reviewed, and revised by a team of health professionals.                                                                                                    | D | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                  |
|---------------------------------------|----------------------------------------------------------------------------------|
| Ownership record                      | Chain: SHLOMO HOFFMAN (10 facilities); Owner on file: JEIDEL, JACOB (individual) |
| Ownership chain                       | SHLOMO HOFFMAN (10 facilities)                                                   |
| Penalties vs chain average            | \$182,618 vs \$69,047 (2.6× the chain average)                                   |
| Current deficiencies vs chain average | 20 vs 13.0 (1.5× the chain average)                                              |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3 · US avg 3)     |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.7 · US avg 2.9) |
| Quality measures (QM) | 3 / 5 (state avg 3.2 · US avg 3.7) |

§ 8 **For Your Attorney**

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
  2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 525061.
  3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 6b1b65178200.
  4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).
- 

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
