

# Providence Holy Cross Med Ctr D/P SNF

Report ID: CCN 555074  
Generated: 2026-07-23T18:56:56.660Z

## § 1 Facility Identity

|                |                                                    |
|----------------|----------------------------------------------------|
| Facility       | Providence Holy Cross Med Ctr D/P SNF              |
| CCN            | 555074                                             |
| Location       | 11600A INDIAN HILLS ROAD, MISSION HILLS, CA, 91345 |
| Ownership type | Non profit - Corporation                           |
| Certified beds | 48                                                 |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$97,923                          |
| Deficiency citations — current cycle       | 13 ( 24% vs prior 24 months (17)) |
| Deficiency citations — prior 24 months     | 17                                |
| Immediate Jeopardy — current cycle         | 1                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$97,923                                              |
| CA state average                  | \$26,375 (this facility is 3.7× the CA average)       |
| National average                  | \$31,239 (this facility is 3.1× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV.                    | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | <b>K · Immediate Jeopardy</b> | Complaint       |
| F694  | Provide for the safe, appropriate administration of IV fluids for a resident when needed.                                                                                                                                                               | E                             | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | E                             | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D                             | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D                             | Standard survey |
| F693  | Ensure that feeding tubes are not used unless there is a medical reason and the resident agrees; and provide appropriate care for a resident with a feeding tube.                                                                                       | D                             | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | D                             | Standard survey |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                                                                                                      | D                             | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D                             | Standard survey |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | D                             | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | D                             | Standard survey |
| F883  | Develop and implement policies and procedures for flu and pneumonia vaccinations.                                                                                                                                                                       | D                             | Standard survey |

|      |                                            |   |                 |
|------|--------------------------------------------|---|-----------------|
| F732 | Post nurse staffing information every day. | B | Standard survey |
|------|--------------------------------------------|---|-----------------|

## § 5 Ownership & Chain Context

|                                       |                                                                                                |
|---------------------------------------|------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: PROVIDENCE HEALTH & SERVICES (9 facilities); Owner on file: BLAIR, RICHARD (individual) |
| Ownership chain                       | PROVIDENCE HEALTH & SERVICES (9 facilities)                                                    |
| Penalties vs chain average            | \$97,923 vs \$41,667 (2.4× the chain average)                                                  |
| Current deficiencies vs chain average | 13 vs 14.0 (0.9× the chain average)                                                            |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 0 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 555074.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash b28bf285017f.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelppnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
