

# VINEYARD POST ACUTE

Report ID: CCN 555120  
Generated: 2026-07-23T19:15:32.451Z

## § 1 Facility Identity

|                |                                        |
|----------------|----------------------------------------|
| Facility       | VINEYARD POST ACUTE                    |
| CCN            | 555120                                 |
| Location       | 101 MONROE STREET, PETALUMA, CA, 94954 |
| Ownership type | For profit - Limited Liability company |
| Certified beds | 99                                     |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$63,135                          |
| Deficiency citations — current cycle       | 16 ( 23% vs prior 24 months (13)) |
| Deficiency citations — prior 24 months     | 13                                |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$63,135                                              |
| CA state average                  | \$26,375 (this facility is 2.4× the CA average)       |
| National average                  | \$31,239 (this facility is 2.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 16 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F814  | Dispose of garbage and refuse properly.                                                                                                                                                                                                                 | F          | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                                                                                          | E          | Standard survey |
| F759  | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                             | E          | Standard survey |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                                                                                                      | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F919  | Make sure that a working call system is available in each resident's bathroom and bathing area.                                                                                                                                                         | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | E          | Complaint       |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                           | D          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | D          | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                | D          | Complaint       |
| F658  | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                                                                                | D          | Complaint       |

|      |                                                                                                                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F646 | Notify the appropriate authorities when residents with MD or ID services has a significant change in condition.                                                                                                                                                                          | D | Standard survey |
| F700 | Try different approaches before using a bed rail. If a bed rail is needed, the facility must (1) assess a resident for safety risk; (2) review these risks and benefits with the resident/representative; (3) get informed consent; and (4) Correctly install and maintain the bed rail. | D | Standard survey |
| F825 | Provide or get specialized rehabilitative services as required for a resident.                                                                                                                                                                                                           | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                                                                                                                                                       | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                     |
|---------------------------------------|-----------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: PACS GROUP (280 facilities); Owner on file: PROVIDENCE GROUP WINE COUNTRY LLC (organization) |
| Ownership chain                       | PACS GROUP (280 facilities)                                                                         |
| Penalties vs chain average            | \$63,135 vs \$32,207 (2.0× the chain average)                                                       |
| Current deficiencies vs chain average | 16 vs 12.7 (1.3× the chain average)                                                                 |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 555120.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 09420fdc5a8.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
