

# ALHAMBRA POST ACUTE

Report ID: CCN 555292  
Generated: 2026-07-25T15:18:22.239Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | ALHAMBRA POST ACUTE                   |
| CCN            | 555292                                |
| Location       | 331 ILENE STREET, MARTINEZ, CA, 94553 |
| Ownership type | For profit - Corporation              |
| Certified beds | 44                                    |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$0                                   |
| Deficiency citations — current cycle       | 13 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| CA state average                  | \$26,375 (this facility is 0.0× the CA average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                                  | SCOPE/SEV. | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F565  | Honor the resident's right to organize and participate in resident/family groups in the facility.                                                                                                                                                                                              | E          | Standard survey |
| F758  | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited. | E          | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                                         | E          | Standard survey |
| F814  | Dispose of garbage and refuse properly.                                                                                                                                                                                                                                                        | E          | Standard survey |
| F920  | Provide at least one room set aside to use as a resident dining room and for activities, that is a good size, with good lighting, air flow and furniture.                                                                                                                                      | E          | Standard survey |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                                                                                                                                     | D          | Complaint       |
| F742  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with mental disorder or psychosocial adjustment difficulty, or who has a history of trauma and/or post-traumatic stress disorder.                                                                    | D          | Complaint       |
| F644  | Coordinate assessments with the pre-admission screening and resident review program; and referring for services as needed.                                                                                                                                                                     | D          | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                                                          | D          | Standard survey |
| F744  | Provide the appropriate treatment and services to a resident who displays or is diagnosed with dementia.                                                                                                                                                                                       | D          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted                                                                                                                                                                                            | D          | Standard survey |

professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs.

|      |                                                                                                                              |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F880 | Provide and implement an infection prevention and control program.                                                           | D | Standard survey |
| F912 | Provide rooms that are at least 80 square feet per resident in multiple rooms and 100 square feet for single resident rooms. | B | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                            |
|---------------------------------------|----------------------------------------------------------------------------|
| Ownership record                      | Chain: PACS GROUP (280 facilities); Owner on file: OLSON, JON (individual) |
| Ownership chain                       | PACS GROUP (280 facilities)                                                |
| Penalties vs chain average            | \$0 vs \$32,207 (0.0× the chain average)                                   |
| Current deficiencies vs chain average | 13 vs 12.7 (1.0× the chain average)                                        |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 4 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 4 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 555292.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 9c3f4fe3377c.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
