

# SUNNYVALE POST-ACUTE CENTER

Report ID: CCN 555792  
Generated: 2026-07-25T18:13:37.530Z

## § 1 Facility Identity

|                |                                              |
|----------------|----------------------------------------------|
| Facility       | SUNNYVALE POST-ACUTE CENTER                  |
| CCN            | 555792                                       |
| Location       | 1291 S BERNARDO AVENUE, SUNNYVALE, CA, 94087 |
| Ownership type | For profit - Limited Liability company       |
| Certified beds | 99                                           |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$0                               |
| Deficiency citations — current cycle       | 28 ( 833% vs prior 24 months (3)) |
| Deficiency citations — prior 24 months     | 3                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$0                                                   |
| CA state average                  | \$26,375 (this facility is 0.0× the CA average)       |
| National average                  | \$31,239 (this facility is 0.0× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 28 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                  | F          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | F          | Standard survey |
| F908  | Keep all essential equipment working safely.                                                                                                                                                                                                            | F          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | E          | Complaint       |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                                                                                              | E          | Standard survey |
| F725  | Provide enough nursing staff every day to meet the needs of every resident; and have a licensed nurse in charge on each shift.                                                                                                                          | E          | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Standard survey |
| F802  | Provide sufficient support personnel to safely and effectively carry out the functions of the food and nutrition service.                                                                                                                               | E          | Standard survey |
| F925  | Make sure there is a pest control program to prevent/deal with mice, insects, or other pests.                                                                                                                                                           | E          | Standard survey |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                                                                                     | D          | Complaint       |
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                                                                   | D          | Complaint       |
| F814  | Dispose of garbage and refuse properly.                                                                                                                                                                                                                 | D          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to                                                                                                                                                      | D          | Complaint       |

prevent accidents.

|      |                                                                                                                                                                                          |   |                 |
|------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F558 | Reasonably accommodate the needs and preferences of each resident.                                                                                                                       | D | Standard survey |
| F574 | The resident has the right to receive notices in a format and a language he or she understands.                                                                                          | D | Standard survey |
| F577 | Allow residents to easily view the nursing home's survey results and communicate with advocate agencies.                                                                                 | D | Standard survey |
| F578 | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | D | Standard survey |
| F584 | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                | D | Standard survey |
| F641 | Ensure each resident receives an accurate assessment.                                                                                                                                    | D | Standard survey |
| F656 | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                        | D | Standard survey |
| F658 | Ensure services provided by the nursing facility meet professional standards of quality.                                                                                                 | D | Standard survey |
| F676 | Ensure residents do not lose the ability to perform activities of daily living unless there is a medical reason.                                                                         | D | Standard survey |
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                    | D | Standard survey |
| F692 | Provide enough food/fluids to maintain a resident's health.                                                                                                                              | D | Standard survey |
| F695 | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                | D | Standard survey |
| F732 | Post nurse staffing information every day.                                                                                                                                               | D | Standard survey |
| F758 | Implement gradual dose reductions(GDR) and non-pharmacological interventions, unless                                                                                                     | D | Standard survey |

contraindicated, prior to initiating or instead of continuing psychotropic medication; and PRN orders for psychotropic medications are only used when the medication is necessary and PRN use is limited.

|      |                                                                                                                                                                                                                                             |   |                 |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F836 | Ensure the facility is licensed under applicable State and local law and operates and provides services in compliance with all applicable Federal, State, and local laws, regulations, and codes, and with accepted professional standards. | D | Standard survey |
|------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|

## § 5 Ownership & Chain Context

|                                       |                                                                                |
|---------------------------------------|--------------------------------------------------------------------------------|
| Ownership record                      | Chain: PACS GROUP (280 facilities); Owner on file: JAMALI, MEHRAN (individual) |
| Ownership chain                       | PACS GROUP (280 facilities)                                                    |
| Penalties vs chain average            | \$0 vs \$32,207 (0.0× the chain average)                                       |
| Current deficiencies vs chain average | 28 vs 12.7 (2.2× the chain average)                                            |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 3.2 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 3.1 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 4.2 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| CMS data as of           | Jun 2026                                                                                                                                          |

## § 8 For Your Attorney

---

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 555792.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 847c51ae1fb6.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
