

# Ashford Gardens

Report ID: CCN 675423  
Generated: 2026-07-23T18:56:04.152Z

## § 1 Facility Identity

|                |                                       |
|----------------|---------------------------------------|
| Facility       | Ashford Gardens                       |
| CCN            | 675423                                |
| Location       | 7210 Northline Dr, Houston, TX, 77076 |
| Ownership type | For profit - Corporation              |
| Certified beds | 202                                   |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$11,009                              |
| Deficiency citations — current cycle       | 11 (up from 0 in the prior 24 months) |
| Deficiency citations — prior 24 months     | 0                                     |
| Immediate Jeopardy — current cycle         | 0                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | No                                    |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$11,009                                              |
| TX state average                  | \$49,788 (this facility is 0.2× the TX average)       |
| National average                  | \$31,239 (this facility is 0.4× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | F          | Standard survey |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | E          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | E          | Standard survey |
| F604  | Ensure that each resident is free from the use of physical restraints, unless needed for medical treatment.                                                                                                                                             | D          | Complaint       |
| F627  | Ensure the transfer/discharge meets the resident's needs/preferences and that the resident is prepared for a safe transfer/discharge.                                                                                                                   | D          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D          | Standard survey |
| F759  | Ensure medication error rates are not 5 percent or greater.                                                                                                                                                                                             | D          | Standard survey |
| F580  | Immediately tell the resident, the resident's doctor, and a family member of situations (injury/decline/room, etc.) that affect the resident.                                                                                                           | D          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | D          | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: CANTEX CONTINUING CARE (38 facilities); Owner on file: SWEENY HOSPITAL DISTRICT (organization) |
| Ownership chain                       | CANTEX CONTINUING CARE (38 facilities)                                                                |
| Penalties vs chain average            | \$11,009 vs \$40,504 (0.3× the chain average)                                                         |
| Current deficiencies vs chain average | 11 vs 9.4 (1.2× the chain average)                                                                    |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 3 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 3 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 1.8 · US avg 2.9) |
| Quality measures (QM) | 5 / 5 (state avg 3.8 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 675423.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash fcaac37cc1cd.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
