|----------------|-----------------------------------------------|
| Facility       | Willow Park Rehabilitation Health Care Center |
| CCN            | 675525                                        |
| Location       | 1000 FM 3220, Clifton, TX, 76634              |
| Ownership type | For profit - Corporation                      |
| Certified beds | 110                                           |

## § 2 CMS Federal Record

|                                            |                                       |
|--------------------------------------------|---------------------------------------|
| Civil money penalties on file              | \$59,972                              |
| Deficiency citations — current cycle       | 15 ( 114% vs prior 24 months (7))     |
| Deficiency citations — prior 24 months     | 7                                     |
| Immediate Jeopardy — current cycle         | 2                                     |
| Actual-harm (G+) citations — current cycle | 0                                     |
| Special Focus Facility status              | Not listed                            |
| Abuse icon                                 | Yes — CMS abuse icon currently listed |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$59,972                                              |
| TX state average                  | \$49,788 (this facility is 1.2× the TX average)       |
| National average                  | \$31,239 (this facility is 1.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 15 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                      | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F600  | Protect each resident from all types of abuse such as physical, mental, sexual abuse, physical punishment, and neglect by anybody. | <b>K · Immediate Jeopardy</b> | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                      | <b>J · Immediate Jeopardy</b> | Complaint       |
| F583  | Keep residents' personal and medical records private and confidential.                                                             | E                             | Standard survey |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                | D                             | Complaint       |
| F552  | Ensure that residents are fully informed and understand their health status, care and treatments.                                  | D                             | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                 | D                             | Standard survey |
| F641  | Ensure each resident receives an accurate assessment.                                                                              | D                             | Standard survey |
| F645  | PASARR screening for Mental disorders or Intellectual Disabilities                                                                 | D                             | Standard survey |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.  | D                             | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                  | D                             | Standard survey |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.              | D                             | Standard survey |
| F699  | Provide care or services that was trauma informed and/or culturally competent.                                                     | D                             | Standard survey |
| F740  | Ensure each resident must receive and the facility must provide necessary behavioral health care and services.                     | D                             | Standard survey |

|      |                                                                                                                                                        |   |                 |
|------|--------------------------------------------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F812 | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards. | D | Standard survey |
| F880 | Provide and implement an infection prevention and control program.                                                                                     | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                    |
|---------------------------------------|------------------------------------------------------------------------------------|
| Ownership record                      | Chain: NEXION HEALTH (52 facilities); Owner on file: MUNDEN, KIMBERLY (individual) |
| Ownership chain                       | NEXION HEALTH (52 facilities)                                                      |
| Penalties vs chain average            | \$59,972 vs \$50,569 (1.2× the chain average)                                      |
| Current deficiencies vs chain average | 15 vs 9.6 (1.6× the chain average)                                                 |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 3 / 5 (state avg 1.8 · US avg 2.9) |
| Quality measures (QM) | 2 / 5 (state avg 3.8 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 675525.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 872449d584e0.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
