## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$29,353                                              |
| TX state average                  | \$49,788 (this facility is 0.6× the TX average)       |
| National average                  | \$31,239 (this facility is 0.9× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 13 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                                                | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F603  | Protect each resident from separation (from other residents, his/her room, or confinement to his/her room).                                                                                                                                                                  | <b>K · Immediate Jeopardy</b> | Complaint       |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                                                                                                       | F                             | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                                           | E                             | Complaint       |
| F561  | Honor the resident's right to and the facility must promote and facilitate resident self-determination through support of resident choice.                                                                                                                                   | E                             | Standard survey |
| F565  | Honor the resident's right to organize and participate in resident/family groups in the facility.                                                                                                                                                                            | E                             | Standard survey |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs.                      | E                             | Standard survey |
| F803  | Ensure menus must meet the nutritional needs of residents, be prepared in advance, be followed, be updated, be reviewed by dietician, and meet the needs of the resident.                                                                                                    | E                             | Standard survey |
| F809  | Ensure meals and snacks are served at times in accordance with resident's needs, preferences, and requests. Suitable and nourishing alternative meals and snacks must be provided for residents who want to eat at non-traditional times or outside of scheduled meal times. | E                             | Standard survey |
| F558  | Reasonably accommodate the needs and preferences of each resident.                                                                                                                                                                                                           | D                             | Standard survey |
| F645  | PASARR screening for Mental disorders or Intellectual Disabilities                                                                                                                                                                                                           | D                             | Standard survey |
| F677  | Provide care and assistance to perform activities of daily living for any resident who is unable.                                                                                                                                                                            | D                             | Standard survey |

|      |                                                                                                                       |   |                 |
|------|-----------------------------------------------------------------------------------------------------------------------|---|-----------------|
| F687 | Provide appropriate foot care.                                                                                        | D | Standard survey |
| F689 | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents. | D | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                                  |
|---------------------------------------|--------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: WELLSSENTIAL HEALTH (68 facilities); Owner on file: OAKBEND MEDICAL CENTER (organization) |
| Ownership chain                       | WELLSSENTIAL HEALTH (68 facilities)                                                              |
| Penalties vs chain average            | \$29,353 vs \$37,687 (0.8× the chain average)                                                    |
| Current deficiencies vs chain average | 13 vs 9.2 (1.4× the chain average)                                                               |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 1.8 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3.8 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 675799.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 3ac532a25c03.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

---

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
