## § 2 CMS Federal Record

|                                            |                                    |
|--------------------------------------------|------------------------------------|
| Civil money penalties on file              | \$195,946                          |
| Deficiency citations — current cycle       | 11 ( 1000% vs prior 24 months (1)) |
| Deficiency citations — prior 24 months     | 1                                  |
| Immediate Jeopardy — current cycle         | 2                                  |
| Actual-harm (G+) citations — current cycle | 1                                  |
| Special Focus Facility status              | Not listed                         |
| Abuse icon                                 | No                                 |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$195,946                                             |
| TX state average                  | \$49,788 (this facility is 3.9× the TX average)       |
| National average                  | \$31,239 (this facility is 6.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 11 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                            | SCOPE/SEV.                    | SOURCE          |
|-------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------|-----------------|
| F607  | Develop and implement policies and procedures to prevent abuse, neglect, and theft.                                                                                                      | <b>J · Immediate Jeopardy</b> | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                    | <b>J · Immediate Jeopardy</b> | Complaint       |
| F777  | Provide or obtain x-rays/tests when ordered and promptly tell the ordering practitioner of the results.                                                                                  | G                             | Complaint       |
| F578  | Honor the resident's right to request, refuse, and/or discontinue treatment, to participate in or refuse to participate in experimental research, and to formulate an advance directive. | E                             | Standard survey |
| F812  | Procure food from sources approved or considered satisfactory and store, prepare, distribute and serve food in accordance with professional standards.                                   | E                             | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                | D                             | Complaint       |
| F755  | Provide pharmaceutical services to meet the needs of each resident and employ or obtain the services of a licensed pharmacist.                                                           | D                             | Complaint       |
| F760  | Ensure that residents are free from significant medication errors.                                                                                                                       | D                             | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                       | D                             | Complaint       |
| F584  | Honor the resident's right to a safe, clean, comfortable and homelike environment, including but not limited to receiving treatment and supports for daily living safely.                | D                             | Complaint       |
| F609  | Timely report suspected abuse, neglect, or theft and report the results of the investigation to proper authorities.                                                                      | D                             | Complaint       |

## § 5 Ownership & Chain Context

|                                       |                                                                                                          |
|---------------------------------------|----------------------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: AVIR HEALTH GROUP (118 facilities); Owner on file: DALLAS COUNTY HOSPITAL DISTRICT (organization) |
| Ownership chain                       | AVIR HEALTH GROUP (118 facilities)                                                                       |
| Penalties vs chain average            | \$195,946 vs \$65,054 (3.0× the chain average)                                                           |
| Current deficiencies vs chain average | 11 vs 10.2 (1.1× the chain average)                                                                      |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 1 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 1 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 1 / 5 (state avg 1.8 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3.8 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 676127.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 2ff8a2a2eb4e.
4. Deficiency F-tags cited above are searchable in CMS QCOR ([qcor.cms.gov](https://qcor.cms.gov)).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
