

# Las Ventanas De Socorro

Report ID: CCN 676393  
Generated: 2026-07-23T16:30:13.317Z

## § 1 Facility Identity

|                |                                          |
|----------------|------------------------------------------|
| Facility       | Las Ventanas De Socorro                  |
| CCN            | 676393                                   |
| Location       | 10064 Alameda Avenue, Socorro, TX, 79927 |
| Ownership type | For profit - Limited Liability company   |
| Certified beds | 126                                      |

## § 2 CMS Federal Record

|                                            |                                   |
|--------------------------------------------|-----------------------------------|
| Civil money penalties on file              | \$8,827                           |
| Deficiency citations — current cycle       | 12 ( 100% vs prior 24 months (6)) |
| Deficiency citations — prior 24 months     | 6                                 |
| Immediate Jeopardy — current cycle         | 0                                 |
| Actual-harm (G+) citations — current cycle | 0                                 |
| Special Focus Facility status              | Not listed                        |
| Abuse icon                                 | No                                |

## § 3 Federal Penalties in Context

|                                   |                                                       |
|-----------------------------------|-------------------------------------------------------|
| This facility — penalties on file | \$8,827                                               |
| TX state average                  | \$49,788 (this facility is 0.2× the TX average)       |
| National average                  | \$31,239 (this facility is 0.3× the national average) |

Averages are CMS-published per-facility fine amounts for the same snapshot. Figures and multiples are stated as published; no inference is drawn here.

## § 4 Current-Cycle Deficiencies

The current survey cycle records the following 12 federal deficiency citations (CMS F-tags). Scope/severity is CMS's own A–L grade; "Immediate Jeopardy" is CMS's most serious classification.

| F-TAG | FINDING (CMS)                                                                                                                                                                                                                                           | SCOPE/SEV. | SOURCE          |
|-------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|-----------------|
| F641  | Ensure each resident receives an accurate assessment.                                                                                                                                                                                                   | E          | Complaint       |
| F761  | Ensure drugs and biologicals used in the facility are labeled in accordance with currently accepted professional principles; and all drugs and biologicals must be stored in locked compartments, separately locked, compartments for controlled drugs. | E          | Complaint       |
| F842  | Safeguard resident-identifiable information and/or maintain medical records on each resident that are in accordance with accepted professional standards.                                                                                               | E          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | E          | Standard survey |
| F695  | Provide safe and appropriate respiratory care for a resident when needed.                                                                                                                                                                               | E          | Standard survey |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | E          | Standard survey |
| F550  | Honor the resident's right to a dignified existence, self-determination, communication, and to exercise his or her rights.                                                                                                                              | D          | Complaint       |
| F656  | Develop and implement a complete care plan that meets all the resident's needs, with timetables and actions that can be measured.                                                                                                                       | D          | Complaint       |
| F684  | Provide appropriate treatment and care according to orders, resident's preferences and goals.                                                                                                                                                           | D          | Complaint       |
| F880  | Provide and implement an infection prevention and control program.                                                                                                                                                                                      | D          | Complaint       |
| F689  | Ensure that a nursing home area is free from accident hazards and provides adequate supervision to prevent accidents.                                                                                                                                   | D          | Standard survey |
| F690  | Provide appropriate care for residents who are continent or incontinent of bowel/bladder, appropriate catheter care, and appropriate care to prevent urinary tract infections.                                                                          | D          | Standard survey |

## § 5 Ownership & Chain Context

|                                       |                                                                                               |
|---------------------------------------|-----------------------------------------------------------------------------------------------|
| Ownership record                      | Chain: FUNDAMENTAL HEALTHCARE (68 facilities); Owner on file: THI OF TEXAS LLC (organization) |
| Ownership chain                       | FUNDAMENTAL HEALTHCARE (68 facilities)                                                        |
| Penalties vs chain average            | \$8,827 vs \$34,076 (0.3× the chain average)                                                  |
| Current deficiencies vs chain average | 12 vs 9.7 (1.2× the chain average)                                                            |

## § 6 CMS Care Compare Star Ratings

|                       |                                    |
|-----------------------|------------------------------------|
| Overall               | 2 / 5 (state avg 2.7 · US avg 3)   |
| Health inspection     | 2 / 5 (state avg 2.8 · US avg 2.8) |
| Staffing              | 2 / 5 (state avg 1.8 · US avg 2.9) |
| Quality measures (QM) | 4 / 5 (state avg 3.8 · US avg 3.7) |

## § 7 Record Provenance

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|

## § 8 For Your Attorney

1. The full survey file (Form 2567) for each inspection cited above is available from the state survey agency or by FOIA request.
2. Quarterly staffing data: CMS Payroll-Based Journal (PBJ) public use files, CCN 676393.
3. Cite this snapshot as “CMS Care Compare, as of Jun 2026” — integrity hash 75e323a6c529.
4. Deficiency F-tags cited above are searchable in CMS QCOR (qcor.cms.gov).

This snapshot is a frozen record of CMS Care Compare data as of Jun 2026. Independently verifiable at the URL above. Generated by CareSentinel under Nodal Logics LLC. Compiled under CareSentinel methodology v1.0, documented at <https://www.caregiverhelpnow.com/methodology>; the Snapshot SHA-256 above pins this record to that methodology version.

CareSentinel operates as an independent legal-advertising service, not a law firm, and does not recommend, endorse, or vouch for any attorney (ABA Model Rule 5.4). This document restates the public federal record only; it is not legal advice and forms no attorney-client relationship. Inspection findings are point-in-time CMS survey results, not a determination that any specific resident was harmed.
